

STRATEGIC PLANNING SESSION

PACE - Asset Building Fact Sheet

March 25, 2021

COMMUNITY GOALS

Plan must address:
Revitalization of low-income communities

- Structural changes (policy, practices, resource flows)
- Relational changes (relationships, connections, power dynamics)
- Mental modes

POPULATION DATA

Metric	Daviess	Greene	Knox	Sullivan	Total for Service Area	2018 Households Served	2019 Households Served	% Population Served (2019)
Households								
Total Households	11,417	12,790	14,955	7,707	46,869	7,224	3,143	6.7%
2018 HH Poverty	1,598	1,791	2,393	1,002	6,784			
2018 HH ALICE	3,083	3,325	3,589	2,389	12,386			
2018 HH Poverty & ALICE	4,681	5,116	5,982	3,391	19,170	7,224	3,143	16.4%
Population Ages								
Preschool (0 to 4)	2,597	1,713	2192	1050	7,552	1215	732	9.7%

	FNPI 5i.2 Adults (ages 18+)						

INPUT FROM COMMUNITY ASSESSMENT

SURVEY VALIDITY

In December of 2020, researchers sent surveys via text and email to financially vulnerable households in PACE's service area. The PACE household survey had 537 unique survey attempts, with 307 completions, providing a 95% confidence level and a 5.31 confidence interval. Survey respondents were more likely to be female, 25-54, and have a disability.

Unless otherwise noted, the terms "survey results" or "respondents" throughout this report refer to the results and responses received in the client needs survey described above.

SURVEY VALIDITY

In December of 2020, researchers sent surveys via text and email to financially vulnerable households in PACE's service area. The PACE household survey had 537 unique survey attempts, with 307 completions, providing a 95% confidence level and a 5.31 confidence interval. Survey respondents were more likely to be female, 25-54, and have a disability.

Unless otherwise noted, the terms "survey results" or "respondents" throughout this report refer to the results and responses received in the client needs survey described above.

INPUT FROM COMMUNITY ASSESSMENT

HEALTH

HEALTH INSURANCE	Percent of Survey Respondents
Hoosier Healthwise / HIP / Medicaid	51%
Insurance through a marketplace plan	1%
Insurance through my employer	8%
Medicare	28%
No insurance	4%

- The residents of the service area have a higher uninsured rate than respondents, nearly 13% compared to 4%. This could indicate that PACE has been successful in helping its customers gain access to insurance options such as HIP and Medicaid. Daviess County had the highest uninsured rate with 23%.
- Cost was listed as the most significant barrier.

INPUT FROM COMMUNITY ASSESSMENT

- In terms of health issues, respondents expressed concerns about:
 - Diabetes (33%)
 - Heart disease (27%)
 - Cancer (13%)
 - Prenatal care (0%)
 - Receiving services for a loved one with a disability (6%)
 - Substance abuse (3%)
 - Mental health (34%)

MENTAL HEALTH

- 36% of respondents have been bothered more than half the days or every day by being unable to stop or control worrying in the month they were surveyed.
- 28% of respondents have been bothered more than half the days or every day by having little interest or pleasure in doing things in the month they were surveyed.

Nearly two in three respondents (64%) said their stress level has increased since COVID-19.

Spotlight on a Community Need

Expanded initiatives to help individuals understand available health services provided by Pace, i.e., Health Insurance Navigators, WIC, and Family Planning.

INPUT FROM COMMUNITY ASSESSMENT

COMMUNITY RESOURCES AND NEEDS

We asked survey participants “What are other places in the community that individuals can turn to for help besides PACE?”

They answered:

- | | | | | |
|-----------------------|---------------------|-------------------------|------------------------------|------------------------|
| • 211 | • Township Trustees | • Pregnancy Care Center | • Thursday Church | • Nurse Fund |
| • Churches | • Connections | • FSSA | • Sandy’s Pantry | • Valley Professionals |
| • St. Vincent de Paul | • Feed My Sheep | • Hamilton Center | • Social Ministries | • Vincennes |
| • Bicknell Ministries | • Salvation Army | • Sullivan Hospital | • Solsberry Christian Church | • Housing Authority |
| • Goodwill | | • Helping Hands | • Sunshine Stop | • WIC |

On a scale of 1-5, with “1” being “not needed” and 5 being “needed very much,” respondents ranked the following services:

TOP 5:

1. Good jobs with higher wages and benefits
2. Programs and activities for youth
3. Help to make homes more energy efficient
4. Assistance with legal services
5. Addiction treatment services

Spotlight on a Community Need

Notably, many respondents wrote “not sure” or “I don’t know,” suggesting there are many who may need support but feel unsure of where in the community to turn.

INPUT FROM COMMUNITY ASSESSMENT

Ranking of community needs from 1-5, with "1" being "not needed" and 5 being "needed very much, the number in white at the end of each item is the average across all respondents.

INPUT FROM COMMUNITY ASSESSMENT

We asked community partners to talk about which policies they would change to alleviate poverty in their communities. They answered:

- Changes in policy around hiring people with felony convictions on their records
- Second chance substance abuse treatment if employees test positive on a drug screen
- Update the Federal Poverty Guidelines / Increase eligibility guidelines
- Mitigate the benefits cliff

We asked community leaders, “If resources were endless for programs in your community what would you invest in FIRST?” Participants said:

- Mental health services for youth especially related to effects of COVID and being out of school
- Expansion of broadband
- Transportation, especially in Greene County
- Affordable housing

In the online survey there were 17 responses representing community-based organizations, education, faith-based organizations, as well as both the public and the private sectors. According to their rankings, the following services are needed:

1. Crime awareness/crime reduction
2. Computer skills training/job skills training
3. Counselors who work with families toward self-sufficiency
4. Counseling services
5. Assistance with legal services (e.g. family law, evictions, debt collection)
